Exciting News! This year, your daughter has the option to use any money earned through her Girl Scout Cookie® Program to fund her Girl Scout Troop activities. Money earned through the Cookie Program can also be applied to Council-sponsored activities such as Program events listed in *Possibilities*, Girl Scout summer day camp or sleep-away camp. The more she earns, the more she can do! In the past, Girl Scout Cookie rebates have gone into the Troop treasury and were divided equally among all the girls in the Troop, regardless of their individual achievements.

- Decide whether you want your daughter's profits pooled with the rest of the Troop, or if you would prefer that her profits be allocated for her use only.
- You and your daughter sign the tear-off and return it to your Troop Leader by Feb. 1.
- Sign up for the Cookie Club for online goal-setting and order- tracking http://cookieclub.littlebrowniebakers.com
- Let your Leader know how you plan to use the funds earned by June 1st.

Here are some examples of how it works:

- Your daughter sells **300** boxes of cookies under the Individual Accounting Method she receives: Recognition Items listed on the order card, Patch, **$150** to the Troop Treasury for her own use and **$75. Cookie Credits***
- Your daughter sells **200** boxes under the Individual Accounting Method she receives: Recognition items listed on the order card, Patch and **$100** to the Troop Treasury for her own use.
- Your daughter sells **100** boxes under the Individual Accounting Method she receives: Recognition items listed on the order card, Patch and **$50** to the Troop Treasury for her own use.

***Girls in one family who sell 300 boxes of Girl Scout Cookies® receive a $75 Cookie Credit Gift Card, to be used for any Girl Scout activity.**

IMPORTANT: "The income from group money-earning activities **never** becomes the property of individual members – girls or adults." (*Safety-Wise,* Standard 29) Money not used for individual Girl Scout activities remains in the Troop Treasury.
