

## Cookies Continue ...

Our Girl Scout Cookie® sale period is being extended in order to allow all of our girls to reach their personal and Troop goals. Girls can sell from **March 31, 2009 to May 1, 2009**, for an extra 5 weeks of (springtime) sales!

Starting on Tuesday, March 31, 2009, this Goal-Maker period gives Troops the chance to earn extra rebate money. **Here's how it works:**

- Cookies are picked up at the Council Cookie Cupboard between March 31 and May 1.
- Troops earn an extra 2 cents per box in rebate for all boxes sold during this period.
- Cookies sold during this period do not count towards totals for individual recognitions (patches, incentives, or Cookie Credits)
- A separate Troop rebate check will be issued to the Troop Leader at the end of this sale period.
- The individual girl who has the highest number of boxes sold from March 31 to May 1 will receive an adorable Elly the Elephant stuffed animal mascot.
- The Troop that has the most sales during this time frame will receive an all-expense paid party (some limits apply) at Dylan's Candy Bar in Roosevelt Field.

### How do you add to your sales?

- Reconnect with all those who ordered from you earlier in the sale – those cookies disappear pretty quickly! Remind them that this is their *last chance* to get Girl Scout Cookies® this year.
- Do additional Booth Sales – Contact **Sonia Oxford at 516.741.2550 ext. 230**, for approval.
- Do a Walk-About. Load up cookies and take them around your neighborhood. Most people report that they never have a Girl Scout come to their door to sell cookies, but that they would buy cookies if asked.
- Will you see family during the spring holiday break? Remind them that they can still purchase Girl Scout Cookies® while helping you to reach your goals.
