

Exciting News! Your daughter has the option to use any money earned through her Fall Products and Girl Scout Cookie® Programs to fund her Girl Scout Troop activities. Money earned through these programs can also be applied to Council-sponsored activities such as Program events listed in *Possibilities*, Girl Scout summer day camp or sleep-away camp. The more she earns, the more she can do! In the past, rebates have gone into the Troop treasury and were divided equally among all the girls in the Troop, regardless of their individual achievements.

- Decide whether you want your daughter’s profits pooled with the rest of the Troop, or if you would prefer that her profits be allocated for her use only. (Funding Your Fun)
- You and your daughter sign the tear-off and return it to your Troop Leader.
- Let your Leader know how you plan to use the funds earned by June 1st.

Here are some examples of how it works:

- Your daughter sells 5 magazine subscriptions at \$20 apiece, completes a “Step 2” Address Booklet, and sells \$200 worth of nuts and candies. If she chooses the maximum rebate, Funding Your Fun would yield her \$45.30 to the Troop Treasury for her own use.
- Your daughter sells **300** boxes of cookies - under the Funding Your Fun Method she receives: Recognition Items listed on the order card, Patch, **\$150** to the Troop Treasury for her own use and **\$75. Cookie Credits***

***Girls in one family who sell 300 boxes of Girl Scout Cookies® receive a \$75 Cookie Credit Gift Card, to be used for any Girl Scout activity.**

IMPORTANT: “The income from group money-earning activities never becomes the property of individual members – girls or adults.” (*Safety-Wise*, Standard 29) Money not used for individual Girl Scout activities remains in the Troop Treasury. Troops will need “general funds” for their operation, and an amount may be allocated either from Funding Your Fun or from Troop dues.
