

Gold Award Alliance National Registry

The Girl Scout Gold Award Alliance National Registry was created at the 48th National Council of Girl Scouts of the United States in 1999 by a proposal of Girl Scouts of Nassau County. This national registry is for those who earned the Golden Eaglet, the Curved Bar, First Class and the Girl Scout Gold Award.

What exactly does this mean to you?

The creation of a National Girl Scout Gold Award Registry:

- Creates a network for those who have received the Golden Eaglet, the Curved Bar, First Class and the Girl Scout Gold Award;
- Provides a valuable resource of information for GSUSA and Councils alike;
- Expands the possibility for broader community recognition of the Girl Scout Gold Award;
- Creates alliances and opportunities at the local Council with former recipients.

Our 72 Gold Awardees are automatically entered into the National Registry. Did you receive your award in a prior year? We encourage you to send in the registration form below and be counted among this distinctive group of women.
