Please remember that it takes time and effort to establish a U.S. Girl Scout Pen Pal Network Link. Once you are linked, you will receive a letter with the information about the troop you have been linked with. Keep in mind that the councils in Florida, California and Alaska receive numerous pen pal requests from the 50 states everyday! Also, not every state participates in this program. Duplicate form as needed.

***Pen Pal Link requests will not be accepted after January 31, 2010**
