

In honor of Girl Scouts 100th Anniversary

Girl Scouts of Nassau County will be creating our own
Anniversary Cookbook and we need your help!

When Juliette Low started the Girl Scout Movement 100 years ago, women cooked with natural, whole foods without chemical additives or preservatives. In honor of those women and in keeping with our commitment to embrace a healthy mind and body we are asking that you send us homemade recipes using natural ingredients. Sugar is a natural ingredient; cake from a box is not! Recipes can be submitted by registered Girl Scouts, Troops, Adults and Alumnae!

Please submit recipes in these categories:

Appetizers	Entrees
Beverages	Salads
Breads and rolls	Snacks
Camping recipes	Soups
Desserts	Special Dietary Needs

We would also like:

- A Cookbook title – send in your ideas
- Quotes about your Girl Scout experience
- Drawings from girls - that depict a cookbook theme or Girl Scout experience (magic markers are best for reproduction)
