## FLAT JULIETTE

As you journey through this **100th**  
**Anniversary Girl Scout year**, why not

take **Juliette Gordon Low**, the founder of  
Girl Scouts with you...

Just print this sheet out on cardstock,  
color her in, and cut her out. Now she's  
ready to go!

We'd love to see pictures of her travels  
throughout the year. Please email photos  
with captions about her adventures to  
[lenza@gsnc.org](mailto:lenza@gsnc.org) and look for them in  
future issues of Girlfriends.

Thanks so much.
