WHAT I LEARNED IN GIRL SCOUTING:

"... that I could be a successful leader ... and that it's important to help others achieve their dreams just as someone one day will help me reach mine." - Caroline, GSNC

"... to have a great compassion and respect for people, you have to show respect to gain respect and there is no better way than taking your heart, soul and talent ... and sharing it with people who are in need." - Elora, GSNC

"a lot about myself, gaining self-confidence and self-assurance. I learned that ... I can influence, as well as educate, an entire community." - Caitlin, GSNC

"This project showed me that I am a leader, independent, courageous and that I have the ability to do whatever I set my mind to." - Carly, GSNC

Dear Girl Scout Family:

Girl Scouting adds incredible value to your girl's life! 70% of the women in Congress and an estimated 90% of female business owners and CEOs were Girl Scouts! Please consider a tax deductible donation to the organization that is delivering on promised values! It's time to invest in your daughter's Girl Scout Leadership Experience and ensure that Girl Scouts is here for other girls in Nassau County (100% of your contribution stays in our community).

How is my \$12.00 Membership fee spent?

Your entire annual \$12 membership fee is forwarded to our national organization, Girl Scouts of the USA.

Aren't the fees I pay for programs and camp enough to cover expenses?

The fees charged for programs are low and only cover a portion of the actual cost. In addition to the fees for service, our Council spends more than \$250 per girl member annually.

How do my daughter and her Troop benefit?

In addition to the wonderful opportunities listed above, for each Family Partnership donation of \$25.00 to \$39.99, your daughter's Troop will receive a 10% rebate. And, for donations of \$40.00 or more, the Troop will receive a 15% rebate, and the family will receive a patch for each Girl Scout.

So how do I donate?

Complete the highlighted area that says: "I would like to contribute:" on the Girl Scout registration form. To make it even easier to donate, you can write just one check for both GSUSA registration fee (\$12) and your **GSNC Family Partnership** contribution. Or secure the form from our website at www.gsnc.org/support/famcamp.asp to donate to GSNC Family Partnership.

How can I maximize my gift?

You can increase the value of your gift if you or someone in your family works for a company that has a matching gifts program. Be sure to check with the personnel office where you work to see if they participate or are interested in such a program.

THANK YOU FOR SUPPORTING GIRL SCOUTS!
