

Novice Weekend Camping since 1912

Are you looking to experience camping with your troop but haven't had the opportunity to participate in the required Outdoor Training? We have an opportunity just for you, where your troop can enjoy a trip to Camp Blue Bay and you can participate in the training while at camp.

Arrive at camp with your troop on Friday night and move into one of our tent units; volunteers and staff will be on hand to help get you settled in, and give you a Camp Blue Bay Orientation. Troops registering for the event will need to have the appropriate adult coverage as per Safety Activity Checkpoints in addition to the adult(s) wishing to participate in the Outdoor Training. Please note adults taking the training will be required to take Virtual Trip Training and attend a Pre-plan meeting prior to the event date.

Saturday, Girl Scouts and adult coverage will participate in a variety of activities led by volunteers and staff as they learn all about the traditions of Girl Scout camping. Pizza will be provided for lunch. Meanwhile, Outdoor Training Adults will spend the day learning everything they need to know about Troop Camping from our Outdoor Trainers. It will be a day filled with great suggestions and ideas as well as important instructions on how to camp safely with your troop, including cooking lunch over a fire.

Everyone will join up for dinner in the Dining Hall, followed by a big campfire in the field, complete with S'mores!

Sunday morning, Outdoor Training Adults will meet up once again with the trainers to cook breakfast and finish up the training. Girl Scouts and adult coverage will enjoy breakfast at the Dining Hall and a morning activity.
