

Girl Scout Silver Award TOOLKIT

Have you ever looked around your neighborhood or school and wondered how you could make a change for the better?

When Girl Scout Cadettes focus on an issue they care about, learn the facts, and take action to make a difference, they gain the confidence and skills that will catapult them to lifelong success. It all adds up to the Girl Scout Silver Award—the highest honor a Cadette can achieve.

Becoming a Silver Award Girl Scout gives you the chance to show that you are a leader who is organized, determined, and dedicated to improving your community. The Girl Scout Silver Award Take Action project begins with defining an issue within the community that you wish to improve. Once your issue is defined, you then need to look at why this issue is happening. There can be many reasons—these are called the root causes. You can then choose one root cause to develop into your Take Action project.

Take the [Take Action Quiz](#) to find out how much you really know about Take Action projects, and start thinking of ways you can make a difference in your community.

Learn the process for earning the Silver Award, including the difference between community service and Take Action projects. This online training can be found at gsnc.org on the Silver Award page in the Resource section. Watch at your convenience!

Girl Scout Silver Award Prerequisites

You may begin working on the prerequisites as soon as you bridge to or register as a Girl Scout Cadette.

- Be a registered Girl Scout Cadette (grades 6–8)
- Complete a Cadette Journey—this means completing all three awards within the Journey, concluding with a Journey Take Action project. There are no set hours for this project, but each girl needs a leadership role to practice those skills.

Journey Choices:

- It's Your World—Change It! (aMaze)
- It's Your Planet—Love It! (Breathe)
- It's Your Story—Tell It! (MEdia)
- Engineering: Think Like an Engineer
- Computer Science: Think Like a Programmer
- Outdoor STEM: Think Like a Citizen Scientist
- Outdoor

Girl Scout **Silver Award TOOLKIT**

When the prerequisites are completed, what do you do next?

- Each girl needs to use the Girl Scout Silver Award Guidelines for Cadettes to develop their Silver Award project idea and plan.
- Keep a detailed Hour Log of all time spent on the work you do in the Guidelines booklet. This will count toward your total project hours.

General Guidelines can be found in detail in the Girl Scout Silver Award Guidelines for Cadettes.

Girl Scout Silver Award Steps

1. Build your Girl Scout Cadette Team

- Decide to go solo
OR
- Team of four or less—each girl needs to be responsible for one specific aspect of the project

2. 50-hour project

- Group projects: all girls need to log 50 hours per girl toward the project
- There may be some overlap hours, but each girl needs to log her independent work for her leadership role

3. Explore your community

- Become detectives and create an observation list of problems in your community

4. Choose your Girl Scout Silver Award Take Action project

- Define your issue
- Ask why this issue is happening to find the root cause you wish to work on to improve the world around you

5. Develop your Take Action project

- Answer the questions in the Guidelines booklet for this step on page 8

6. Make a plan

- What is your solution?
- Who is your audience?
- Who can you partner with in the community to help with the project?
- Where will it take place?
- When? (create a timeline)
- Think of ways to make this project carry on and sustainable.

Sustainability

At the Cadette level, to achieve the sustainability component, you need to create and implement a plan which will allow the project to carry on without you, but if it doesn't become a reality, it's okay. As you advance to earning your Gold Award, you will make a solid plan for your Gold Award project to carry on.

7. Put your plan in motion

- Create a list of tasks and deadlines
- If you are working in a team, figure out which component of the project you will lead
- Continue to keep a detailed Hour Log
- Time to get busy!

8. Reflect and share your story—global aspect

- First make sure you thank everyone who helped
- Put your story together and share it! Pages 12–13 of the Guidelines booklet will help you with this part of the project

Completion Procedures:

Silver Award projects are leader-approved! It is important for leaders to understand what a Take Action project is in order to approve Silver Award projects. They are NOT community service projects (example: collections and donations) or an accumulation of volunteer hours.

If a troop leader has questions about whether a project is appropriate or should be approved, she/he may contact the awards coach in their Service Unit or contact customercare@gsnc.org with Silver Award in the subject line.

The troop leader using the Silver Award Approval Checklist for Leaders approves the Silver Award Take Action project. **This does not need to be submitted, it is for leader use only.**

After the leader approves the project, **each girl must then complete the electronic GSNC Silver Award Final Report form**, whether they are working as a team or going solo. A confirmation email will be sent to the girl with a copy of her final report. The girl must email or bring a copy of her completed final report to her leader for final approval. **Once all of the girls are approved, leaders complete the Leader Silver Award Approval form electronically.** There will be a section to pre-order the Silver Award pins, patches, and certificates.

Please note: If the final report is NOT submitted, the Silver Award will NOT go on the girl's Girl Scout record.

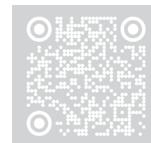

Deadlines:

The Silver Award must be completed by September 30th after the girls graduate from 8th grade. Check with your Service Unit to see if they host a Silver Award ceremony and learn about deadlines.

Take Action Projects

What is Take Action?

Girls will create and carry out a Take Action project with every Journey they complete. Girl Scout Bronze, Silver, and Gold Awards all require Take Action projects.

Overview of Take Action

Take Action projects are different from community service projects. Take Action elevates projects. A Take Action project is a chance for girls to partner with others in their community to solve a problem. They learn about getting to the root causes of issues, mobilizing and engaging community members and volunteers, and striving toward creating lasting change in their world. An important component is to understand and address the cause of a problem.

Community Service—comes from the heart

- Service is a passive role where you help out on something that is already in place
- Major decisions have been made and you are following someone else's directions
- Collecting and donating items—a one-time fix of a problem
- Beautification/renovation without an educational or awareness-raising component

Take Action project—comes from the heart, but uses the head to develop long-lasting impact

- Leadership puts girls in an active role of decision making
- Girls create a Take Action project based on their observations of a local issue
- Tackle the root cause of this issue to make a long lasting impact so project is sustainable
- Girls develop their leadership skills by exploring their community, brainstorming, planning, organizing, and putting their plan in motion

What is the difference between Journey Take Action projects and higher awards Take Action projects?

The only difference is the Journey Take Action project is issue specific, the project must relate to the Journey and what the girls have learned. It can be completed as a troop, but each girl needs a leadership role.

The Awards Take Action project issue is of the girls' choosing. The girls will need to identify an issue in their community that they want to improve or resolve. Tackling the root cause of their issue will help make a bigger impact on their community and sustain the project.

Service Project	Take Action Project
Make first aid kits	Promote healthy living through a community health fair.
Hold a food drive	Start a community garden that can provide fresh fruits and vegetables to the homeless.
Start a recycling project	Create a workshop to teach others about water conservation and have everyone make a rain garden or barrel.
Donate items to a local shelter	Organize a volunteer recruitment and supply drive for a local animal shelter at your school, community center, or church.
Donate books to a local school	Organize a tutoring session at a local elementary school with senior citizens to help students learn to read.

The Journey Take Action project should be looked at as a practice run for the Awards Take Action project. The girls will gain leadership skills in developing this Journey project. She will build upon these acquired skills to complete a quality Bronze, Silver, or Gold Award Take Action project.

FAQ for Funding a Silver Award Project

Q. Does a Silver Award project need to cost a lot of money?

A. Most award projects don't cost a lot of money and sometimes nothing at all. Part of expanding girls' leadership skills is finding creative ways to get supplies donated.

Q. If money is needed, how should we begin?

A. The first way to fund Silver Award projects is to use troop funds to cover expenses. Girls can vote to use troop funds to cover the cost of award projects.

Easy ways to build troop funds:

- Mags&Munchies...and more
- Cookie program

Q. After you have taken part in the most recent council product sales and you still don't have enough funds, what do you do?

A. You can move on to money-earning activities with council's approval. The money-earning activities are planned and carried out by girls and supported by adults to earn money for the troop treasury.

Examples:

- Gift-wrapping for the holidays
- Babysitting at town meetings, school meetings, or other public places
- Spaghetti supper
- Car wash
- Garage sale
- Raking leaves, shoveling walks, weeding gardens
- Birthday party service
- Craft sale
- Collect and redeem recyclable materials

Be creative! There are many more ways in which you can earn money! Troops must participate in the most recent council-sponsored Mags&Munchies *AND* cookie product sales programs before any other additional troop money-earning projects can be approved.

Q. Do you need to apply for a troop money-earning activity with council?

A. Yes, fill out and submit the Troop Money-Earning Application.

Q. Can you run money-earning activities (ex. yard sale) during council product sales?

A. No, there are blackout dates where no money-earning activities can take place:

- The in-person order-taking period for Mags&Munchies, which is usually late September through October.
- The initial order-taking period for cookies, which is usually late December through January.

Check the GSNC website or the GSNC OLC for the specific dates of these programs each year.

FAQ for Funding a Silver Award Project *continued*

Q. What are the guidelines for accepting donations or money-earning limits?

- A.** ● Less than \$250: may be accepted by an individual/troop/group
● More than \$250: must be submitted to GSNC and council will disperse the funds
● **Sponsorships:** Troop/group receives total donation
● **Matching Gifts:** Prior to applying, contact customercare@gsnc.org with Fund Development in the subject.

Q. Can you set up a Crowdsourcing funding website?

- A.** No, at this time GSNC has not approved this type of funding. Ex: GoFundMe page

Q. Does money-earning income ever become the property of an individual member, girl, or adult?

- A.** No, it is used for awards projects only.

Q. Can a Girl Scout who is an Independently Registered Girl Scout (Juliette) money-earn for her Silver Award project?

- A.** Yes, she can, but she needs to use all the money raised toward her project. Any funds left over will be donated to GSNC.

Q. Do money-earning hours count toward the award's project hours?

- A.** No. For example, the hours spent organizing and running a car wash do not count toward Bronze Award project hours. Those hours are not specific to the project.

Q. Can a girl “ask” for donations (cash or checks) for her Silver Award project?

- A.** No, she can present her project, dressed in uniform, but the adult with her must do the “ask.”
Example: Seeking donation from the local Kiwanis.

Q. Does the time spent presenting her project to get donations count as project hours?

- A.** Yes, those hours are specific to the project.

Q. What if a company or organization needs the request in writing on GSNC letterhead?

- A.** GSNC can provide letterhead. Girls can write the first part of the letter explaining the project. The adult needs to write the last paragraph “asking” for the donation.

Q. Can we charge an event fee for our Silver Award project?

- A.** Yes, but only to cover materials, never to make money.

Q. Can a girl or her family make personal contributions for their Silver Award project?

- A.** Yes, but it should not be a hardship for the family. Girls should be encouraged to work on a budget for their project and come up with ways to fund it first.

Q. Can girls/troop apply for a grant?

- A.** Yes, but prior to applying, contact customercare@gsnc.org with Fund Development in the subject.

Q. Are there inappropriate money-earning activities that we should avoid?

- A.** Yes:

- Games of chance, raffles
- Home demonstration parties: Avon, Mary Kay, Pampered Chef, etc.
- Receiving a percentage of sales (where a portion of the sales goes back to the troop) from a business during a specific time frame where those sales generate a profit for a specific company (Applebee's, Macy's, McDonald's, etc.) is not allowed.
- Fundraisers for other organizations

Q. Can Cookie Credits be used for funding a Silver Award project?

- A.** Yes, an estimate needs to be submitted to GSNC and we will write a check to the vendor; or the troop can pay for the supplies and GSNC can reimburse the troop account. Girls cannot receive cash or checks directly.

What NOT to Do for the Girl Scout Silver Award

- **Find a project online that someone else did and copy it**

You should be finding a problem in your neighborhood that needs improvements and develop your own project to fix it.

- **Put a few small projects together to make up the hours**

The Silver Award is one complete project, not a set of smaller projects combined.

- **Work as a whole troop on one project**

There is a maximum of four girls working on a project for the Silver Award.

- **Put together a project that is a fundraiser to donate money to an organization**

This is not allowed for the Girl Scout Silver Award.

- **Plan a project that is less than the required minimum of 50 hours per girl**

Silver Award projects are targeted at 50 hours per girl. The 50 hours includes the Girl Scout Silver Award Guidelines work to come up with your project idea.

- **Set up a project where you show no leadership**

Each girl needs to be responsible for one specific piece of the project to gain leadership skills. In group projects, there will be some overlap hours, but each girl needs a leadership role with her own specific hours.

- **Plan a project that is just collecting and donating items to an organization**

*Collecting and donating is a great **service** project, but it is not to be used for the Silver Award Take Action project.*

The Silver Award is earned by completing a Take Action project, where you discover an issue or need in your community that you work on to improve.

If you have any questions, please contact customercare@gsnc.org with Silver Award in the subject line.

Silver Award Hour Log

Girl Scout's Name: _____

Troop Number: _____

Use this Hour Log to keep track of the time spent working on your project. The minimum is 50 hours for each girl. There can be some overlap meeting time for brainstorming and planning if working in groups of two-four girls, but each girl needs to record her unique leadership role.
