## Who Has Access

### SERVICE UNIT/ADMINISTRATIVE VOLUNTEERS

Volunteers who hold a service unit or administrative role and support troop leaders and families in their respective geographical area. Access is granted through the council based on placement in designated support roles.

### TROOP LEADERS AND CO-LEADERS

Active volunteers registered for the current Girl Scout membership year and who hold a troop leadership role. There should be at least two volunteers with access to the same troop account in the VTK.

### CAREGIVERS OF GIRL SCOUTS IN A TROOP

Each primary caregiver has access to their troop's VTK account. They have read-only permission for the meeting schedule and agendas, plus additional resources. (Caregiver accounts can only be accessed if the troop leader has set up a year plan.)

### CAREGIVERS OF GIRL SCOUTS NOT IN A TROOP (I.E., INDIVIDUALLY REGISTERED MEMBERS)

Each primary caregiver of a currently registered Girl Scout who is not part of a troop will get troop leader-like access with their girl(s). Access is granted through the council based on confirmation of individually registered status.

### Add Activities to Your Year Plan

Meetings and badges are only one part of a go-getting Girl Scout's year! You can also add things like field trips, service projects, and cookie booth sales to your year plan. And the Volunteer Toolkit connects to your council website so you can browse and add council events, too. Any activity you add will appear in blue and show up chronologically.

At the top of the year plan, click **Add Activity**.

**CUSTOM ACTIVITY:** Add your activity name, date, time, location, and any details or special instructions to your year plan.

### The Meeting Plan Tab

The **MEETING PLAN** tab has a robust collection of tools and information to help you plan engaging activities every time.

**PLANNING MATERIALS:** High-level resources show you from start to finish what your girl(s) will achieve during the meeting (1. Meeting Overview), what you'll do and say (2. Activity Plan), and the meeting aids plus the materials you'll need (3. Material List).

**MANAGE COMMUNICATIONS.** Email people your Girl Scout might collaborate with to earn each badge or award. Emails are prepopulated with relevant information, but you can customize it based on your needs. You can even attach meeting aids or other relevant documents from your council website at the bottom of the screen before sending.

You can also **Record Achievements** in this section. Use the checkboxes to mark when she has completed a badge or award. Download a full report of everything she has earned from the **MY TROOP** tab.

You can see the full picture of what your girl has earned on the **MY TROOP** tab, with the option to download.

**MEETING AIDS.** These documents and videos are the leg-up you need for each meeting! Some are geared toward the adult supporting the meeting and some are for the girl completing the activities. You can find more information on how to use these resources in the Activity Plan.

**AGENDA.** Wondering how you'll kick off your meeting's activities? Here, you'll find instructions and details for each activity, materials needed, time it takes to complete, and recommended sequencing.

You'll also find suggested opening and closing activities that are part of typical troop meetings.

There are lots of ways to customize your meeting agenda:

- ▶ Drag and drop activities to reorder in the agenda.
- ▶ Use the dropdown on an activity to change the amount of time allotted for a certain activity.
- ▶ Delete an activity by clicking the “X” to the right. Be careful you aren’t deleting a required activity to earn an award, though!
- ▶ Click **Add Agenda** Item at the bottom to add your own activities!
- ▶ Add a note at the end to remind yourself about important things to remember for each meeting.

If at any time you want to **replace** or **delete** an entire meeting, just use the respective links at the top of the meeting plan.

And if at any time you want to download or print your year plan or meeting plan, look for these icons at the top of the page:
