

Girl Scouts of Nassau County would like to thank all families who participated in the Girl Scout Cookie Program. You have given your children an opportunity to learn about goal setting, decision making, people skills, money management and business ethics by encouraging them to run their own Girl Scout Cookie business. These entrepreneurial skills are a key element of the Girl Scout Leadership Experience.

The Cookie Program would not be possible without the assistance of 1500+ “Cookie Support Staff”—our Troop Cookie Managers and Troop Leaders. In addition, we appreciate the dedication of our Service Unit Volunteers: Cookie Chairs, Drop Site Coordinators, Booth Site Coordinators, and Rewards Distributors. See the list of names on this page.

GSNC’s Entrepreneurial Programs Department also thanks the staff of The Inn at New Hyde Park, the GSNC Marketing, Finance and Customer Care departments, and tonight’s event volunteers, for their assistance with this celebration.
