

Girl Scout Week 2022 is in the bag!

“It’s in the bag” is an expression. An expression is a few words that make your thoughts or feelings about a topic known. When someone says “it’s in the bag” they are communicating that they believe someone or something will be successful. An example of how this expression may be used is: the fans said the trophy is in the bag because the game was nearing the end and there was no chance of the other team winning.

Using a paper bag for every activity, spend Girl Scout week living the Girl Scout way! Be creative. Be thoughtful. Be resourceful. Learn the science behind an activity. Share your new knowledge and skills with family and friends and let them know that Girl Scout Week is in the bag!

Instructions: Challenge yourself to complete as many calendar activities as you can this week. You must complete at least two activities using a paper bag to earn your Girl Scout Week patch. Patches may be purchased at the GSNC Shop.
