

GSNC Gold Award Proposal Deadlines

High School Freshmen, Sophomore, & Juniors: Gold Award proposal are accepted 365 days a year

High School Seniors Only: Proposal submission deadline **May 1** of their senior year

- This will enable HS Seniors to go through the approval process (3-5 weeks) and complete a quality Gold Award project.
- Gold Award proposals will still be reviewed in the order they are received. High school seniors **will not** receive priority. That being said, we strongly recommend that high school seniors not wait for this deadline, and submit your proposal in a timely fashion.
- If a high school senior submits proposal after January 1, they will not be eligible to be in the current Gold Award class, but will be a part of the following years' class
- We can write letters explaining you are indeed a Gold Award Girl Scout, but are just waiting to be honored.
