

# Outdoor Scavenger Hunt

**Instructions:** To celebrate 101 years of Girl Scouting in Nassau County, here is a list of 101 things for you to find on a walk. Can you find 51 or more? Ask your family to help and then let us know how many you were able to find. There's no need to collect or touch the items, just find them and check them off your list.

Participating in this scavenger hunt will count as a FIND IT toward receiving your Girl Scouting at Home patch.

Remember, the most important thing is to stay safe and practice social distancing while enjoying the outdoors.

Take a picture with your favorite find and send it to us at [Marketing@gsnc.org](mailto:Marketing@gsnc.org)
