

# Me and My Girl Scout Winter Camping Series at Camp Blue Bay

## Looking for something special to do with your Girl Scout?

Come join us at one of our Me and My Girl Scout (formerly called Mommy and

Me) weekends! You and your Girl Scout will have free time to explore the camp, make new friends and participate in scheduled activities based on your Girl Scout level. Go on a nature/science adventure, get crafty with your child, and so much more...

Choose to arrive Friday evening or Saturday morning. Participants will stay in one of the two Troop Houses. All meals (Saturday breakfast, lunch, dinner and Sunday breakfast) will be served in the Activity Building. This camp program is for individual Girl Scouts and their female guardian or a significant adult female role model (age 18+.) If the adult attending is not the Girl Scout's legal guardian, a permission slip will need to be submitted by the legal guardian. *Limited to 56 participants per weekend.*
